Logan oversees the financial and physical health of multi tenant properties including marketing, lease administration, maintenance, taxes, insurance, rent collections, on site project management, disbursements and reports. Commercial Sales Leasing Site Selection Acquisitions 1031 Exchange Investment Acquisitions

Background & Experience

Logan DeVries joined the NAI Pensacola team in June of 2005 after completing his Bachelor of Science in Finance and Real Estate, at Florida State University. He continued his education and within the first year of joining NAI Pensacola earned his broker associates license. Logan's specialties include office, retail and industrial sales and leasing. Logan manages approximately 650,000 sf of office/retail space. He values relationships with his clients, and is viewed by his colleagues as one of the best real estate professionals in the region. He carefully oversees NAI's in-house maintenance team where he facilitates all property management maintenance projects.

In 2011, Logan was selected to participate in Leadership Pensacola (LeaP) a year long project, sponsored by the Pensacola Bay area, Chamber of Commerce. The mission of Leadership Pensacola, is to develop and foster community minded leaders. "It's about leadership". Learning to lead and developing leaders. "It's about community" a attitude that Logan lives on a daily basis. Logan earned the prestigious Certified Property Management designation on 2015. He has been a continuous TOP Producer for the firm.

In 2018, DeVries and his business partner DeeDee Davis bought the company through a management buyout. "The buyout is a significant milestone in our continuing evolution," said DeVries. "Management is committed to growth and innovation, and our new structure will enable NAI Pensacola to expand its marketing and sales platform to provide additional value-added services to our commercial real estate clients".
