## Background & Experience

Logan DeVries joined the NAI Pensacola team in June of 2005 after completing his Bachelor of Science in Finance and Real Estate, at Florida State University. Continuing with his career development he earned his broker associate license and Certified Property Manager designation (CPM), to lead the Property Management division of NAI Pensacola for 17 years where he oversaw the management of 1,000,000 + SF of office, industrial, and retail space. In 2022, he decided to dedicate his focus to work purely on the sales and leasing of commercial properties for his broad client range. Logan is a consistent top producer for the company, and a leading high-volume leasing and sales broker throughout the region.
