## Scope of Service

Teresa joined NAI Pensacola in 2003 serving as the Director of Marketing. She utilizes her in-depth knowledge and strong understanding of the market to execute innovative and impactful marketing campaigns on behalf of the brokers and their clients. Teresa is a highly effective, experienced marketing professional who displays unwavering dedication to delivering exceptional, quantifiable results. Her responsibilities include the design and build of all ad work, advertising for the company, contract management, listing administration, GIS mapping, creating all property campaigns and the online marketing of all properties.
